

Emergency Services Director

The City of Bridgeport is seeking a full-time Emergency Services Director. The person must be qualified to provide emergency services knowledge and expertise to the City and to perform all necessary duties as it relates to emergency services. Applicant should possess at least 3-5 years of professional experience dealing with emergency preparedness. College degree preferred. The annual salary for this position is \$40,000 - \$47,000, depending on experience. The City offers an excellent benefit package that includes 100% paid Health Insurance for the employee with a very modest premium for family coverage, 100% paid Disability policy, member of the Public Employee's Retirement System (PERS), paid holidays and vacations, and a college tuition reimbursement program. The annual wage for this position will be based on qualification and experience level. Please send application/resume with salary requirements to: James A. Smith, Asst. City Manager/Dir. of HR, City of Bridgeport, P.O. Box 1310, Bridgeport, WV 26330 or jimsmith@bridgeportwv.com. Please submit application or resumes by February 22, 2019. E.O.E. M/F/D/V. This organization participates in E-Verify.
